UNFINISHED BUSINESS.

Approval Given to Mayor's Appointments of Cyrus Hall Adams III and Mrs. Lydon Wild as Members of Board of Education.

On motion of Alderman J. P. Burke the City Council took up for consideration the report of the Committee on Police, Fire, Civil Service, Schools and Municipal Institutions deferred and published on January 10, 1964, page 2118, to approve the Mayor's appointments of Mr. Cyrus Hall Adams III, replacing Mr. Fairfax Cone, for the unexpired term ending April 30, 1964; and Mrs. Lydon Wild, replacing Mr. Raymond Spaeth, for the unexpired term ending April 30, 1967, as members of the Board of Education.

Alderman J. P. Burke moved to concur in the committee's recommendation to approve said appointments.

Alderman Despres and Alderman Chew moved that the appointments be Re-referred to the Mayor.

Alderman Keane raised the point of order that the motion was out of order inasmuch as the power of appointment is vested in the Mayor by the Statutes of the State of Illinois and that the only action the City Council could take would be to approve or disapprove the Mayor's appointments.

The Chair declared the point of order well taken.

Alderman Despres thereupon moved to Re-refer the appointments to the committee for further consideration.

After debate, Alderman Murray moved to Lay the Motion to Re-refer on the Table. The motion to *Lay on the Table Prevailed* (Alderman Despres and Alderman Sperling voting "No").

Corcoran, and extend to his bereaved wife, Louise, his son, Thomas, and to his constituency, our most sincere condolences; and

Committee consideration was dispensed with by unanimous consent, and on motion of Alderman Keane the foregoing proposed resolution was *Adopted* unanimously, by a rising vote.

In making his motion to *Adopt* Alderman Keane addressed the City Council, expressing his shock at the sudden death of his good friend and colleague, who had just returned from a vacation in Florida. He paid tribute to the many estimable personal characteristics which had contributed to his attractive personality, namely, his sincerity, humility, friendliness, kindness, and dedication to his duties not only as a Councilman but as a representative of the 37th Ward. He stated that the late Alderman's life had been a continuous fulfillment of the precept "to Love Thy Neighbor", that he had given a fine example of Christian virtues, and that it was his conviction that he was at the time of the eulogy enjoying the rewards of his dedicated stewardship. He concluded his remarks by extending the sympathy of himself, Mrs. Keane and the people of his Ward to Mrs. Corcoran and to the son, Thomas Corcoran.

They stated that Alderman Corcoran was ascending to the full maturity of his powers and that great achievements were still ahead of him. Each of the Aldermen offered condolences to the bereaved family.

Honorable Richard J. Daley, Mayor, thereupon stated that there were prominent public officials present at the meeting and called upon Honorable Seymour Simon, President of the Board of Commissioners of Cook County, and Honorable Bernard Korzen, Cook County Collector. Lapkus Builders, Inc., Appellee v. *The City of Chicago,* Appellant, Supreme Court of Illinois No. 37590—Judgment reversed by the Supreme Court of Illinois on January 22, 1964 in the above entitled cause. The judgment held invalid the R3 section line zoning of property located at the northeast corner of S. Kedzie Avenue and W. 85th Street. (The Supreme Court's opinion sustained the minimum lot area restriction applicable to the property.);

American National Bank & Trust Co. of Chicago, Trustee (Joseph Valenti, beneficial owner), Appellee v. *The City of Chicago,* Appellant, Supreme Court of Illinois Docket No. 38087—Decision of trial court reversed by the Illinois Supreme Court on January 22, 1964, in the above cause thereby sustaining the single-family zoning classification applicable to the premises at No. 6113-6115 W. Touhy Avenue. (A suit to quiet title had challenged the zoning limitations insofar as they prevented the construction of a 24-unit apartment building on the premises concerned. The subject property was an irregularly shaped lot approximately an acre in size and it was contended that it was unsuited for single family use.);

The City of Chicago v. *Summit Fidelity and Surety Company.* Appellate Court No. 49010—Opinion filed in the above cause by Appellate Court on February 13, 1964, affirming a judgment of $25.00 in favor of the City against Summit Fidelity and Surety Company. (The City had brought a civil action against the Surety Company to recover the amount due on a forfeited bail bond which the Company had posted for an individual charged with violation of a City ordinance. The court decided that the City may enforce the obligation by employing a Civil action and that such action is not governed by criminal procedure.).

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article II

The Tenant shall not assign or transfer this agreement nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein, without prior ap-

proval of Landlord. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Merrill C. Meigs Field, Chicago Midway Airport and Chicago-O'Hare International Airport, with any individual, partnership or corporation without prior approval of Landlord, it being understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Airports and properties located thereon, be they demised to others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

Article III

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Aviation (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antenna, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

Article V

Tenant, at its own expense, shall keep the premises in a safe, sanitary and sightly condition and in good repair and shall yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

Article VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

The Tenant shall assume all risks incident to or in connection with its business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Tenant, or any of their agents or employees.

Landlord shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from Landlord's acts, omission or neglect in the maintenance and operation of the Airport facilities.

Article VII

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

Article VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair or rebuild any fixtures, equipment and other property installed by Tenant pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant

to pay rent shall cease and this agreement shall thereupon terminate.

In the event of any damage or destruction by fire or other casualty to the premises Tenant shall immediately, at its expense, replace and repair any and all fixtures, equipment and other property, installed by it pursuant to this agreement.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and shall be further subject to the provisions of paragraph 4, Article XI of that certain agreement entitled "Airport Use Agreement" and the further provisions, including the right of cancellation of Section 6.04, Article VI of that certain agreement entitled "Lease of Terminal Facilities" and to such other provisions of said related agreements as may be pertinent as entered into between the City and the scheduled Airlines governing use and operation of Chicago-O'Hare International Airport.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Airport who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Commissioner.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from said Airport.

Article X

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color or national origin. Attention is called to the State Acts approved July 28, 1961, Ill, Rev. Stat. 1961, Ch. 38, Section 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1961, Ch. 29, Secs. 17 to 24 inclusive; and July 21, 1961 Ill. Rev. Stat. 1961, Ch. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

Article XI

If Tenant shall vacate or abandon the premises or permit the same to remain vacant or unoccupied for a period of ten (10) days, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether, according to any statutory provision or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to scure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment

given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

Article XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

Article XIV

This agreement shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

Article XV

Notices to the Landlord provided for herein may be sent by registered mail, postage prepaid, addressed to the Commissioner of Aviation of the City of Chicago, City Hall, Chicago 2, Illinois, and notices to Tenant provided for herein may be sent by registered mail, postage prepaid, addressed to Tenant at .... or in either case to such other respective parties and addresses as the parties hereto may designate in writing from time to time and such notices shall be deemed to have been given when so sent.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived

or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or recipt thereof shall not waive or affect any such notice, demand suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Tribute Paid to Late City Comptroller, Alvin L. Weber.

Honorable Richard J. Daley, Mayor, on behalf of himself and other members of the City Council, presented the following proposed resolution:

WHEREAS, God in His wisdom has taken from our midst Alvin L. Weber, city comptroller of our city since 1960; and

WHEREAS, During his career in the service of the public Alvin L. Weber served the County of Cook and the City of Chicago in many capacities. His contributions in the public cause were great. His was an outstanding record for ability, integrity and responsibility. Through his effort and vision Chicago in 1963 won from the Municipal Finance Officials Association a special award for excellence in financial reporting. Chicago received a higher financial rating on its bonds and consequent lower interest costs because of procedures instituted and carried out by him. He was the principal draftsman of Chicago's new system of budget drafting which was cited for excellence by the Civic Federation. With quiet, unassuming, intelligent perseverance, he won for Chicago an outstanding place in the field of management of municipal finances.

Prior to his appointment as city comptroller in 1960, Alvin Weber occupied such positions of responsibility with the County of Cook as senior accountant in the auditor's office, head bookkeeper in the treasurer's office, statistician and auditor in the comptroller's office and deputy county comptroller. The rich fund of experience which he gained during those years he brought to his office as city comptroller.

Chicago has lost a devoted cabinet member and his associates and co-workers have lost a dear friend; now, therefore,

Be It Resolved, That the Mayor and the members of the City Council of the City of Chicago, in meeting assembled this 25th day of March, A.D. 1964, by this resolution spread upon the record of proceedings of the City Council, make public acknowledgment of our profound sense of loss at the passing of our friend and associate, Alvin L. Weber, and extend to his bereaved widow our sincere sympathy.

By unanimous consent committee consideration was dispensed with, and on motion of Alderman Keane (seconded by Aldermen Condon, Holman, Bohling, Sain, Sperling, J. P. Burke, Despres and Ronan), said proposed resolution was *Adopted,* unanimously, by a rising vote.

Each of the seconding aldermen in his address stressed his respect and admiration for the selflessness, humility, perseverance and kindly attitude he had noted in the personality of the late City Comptroller, especially referring to his ability and kindliness in explaining any problems relating to City finances. They further stated that the people of Chicago had lost a public official of outstanding ability and dedication and they had lost a valued and respected personal friend.

Honorable Richard J. Daley, Mayor, thereupon eulogized the memory of the late City Comptroller, expressing his sorrow at the loss of a personal friend with whom he had started his career, that through the years he had acquired a thorough knowledge not only of the fiscal affairs of the City but of the County of Cook, and that the City had sustained a great loss in the death of Mr. Weber. He extended condolences to the bereaved family.

Tribute Paid to Late Andrew T. Frain.

Honorable Richard J. Daley, Mayor, on behalf of himself and other members of the City Council, presented the following proposed resolution:

WHEREAS, The Mayor and members of this City Council were shocked to learn of the death this morning of Andrew T. Frain in Rochester, Minnesota; and

WHEREAS, "Andy" Frain has been one of the outstanding, colorful figures in the life of Chicago since 1924. In that year he started the Andy Frain Usher Service which, during the last 40 years, employed 25,000 young men to serve as ushers and crowd directors throughout the country. One thousand young men per year are engaged in this nationwide service known as Andy Frain Crowd Engineering. This service has covered all national conventions of both parties wherever held; all outstanding sports events such as World Series games, All-Star baseball games and other notable sporting events. When Chicago was host to England's Queen Elizabeth the magnificent dinner at the Hilton Hotel was ushered by this incomparable service. To Andy Frain belongs much of the luster which Chicago has earned in the field of host to the world's great of both national and international renown. His name is synonymous with huge spectacles where attendance has been handled with gifted imagination to the credit of this, the city which he loved; now, therefore,

Be It Resolved, That the Mayor and the City Council of the City of Chicago, hereby express their appreciation of the service rendered this city by Andy Frain and the enterprise which he initiated, and extend to his children their sincere sympathy in their loss.

By unanimous consent committee consideration was dispensed with, and on motion of Alderman Sain (seconded by Aldermen Murray, Rosenberg, J. P. Burke and Scholl), said proposed resolution was *Adopted,* unanimously, by a rising vote.

In seconding the foregoing resolution the aldermen stated that the late Mr. Frain was an outstanding citizen of the city, who, remembering his humble childhood and youth, had provided employment for thousands of young men of Chicago, thereby contributing largely to the higher education of many of today's successful leaders in many fields.

Honorable Richard J. Daley, Mayor, thereupon addressed the Council in memory of the late Mr. Frain, whose youth had been spent in his own neighborhood, and who had risen by his own imagination and industry to become an outstanding and respected citizen, who had contributed largely to the success of many of its residents through the employment and educational opportunities he had provided them. He concluded his remarks by tendering his sympathy to the bereaved family.

The City Clerk transmitted communications, reports, etc., relating to the respective subjects listed below, which were acted upon by the City Council in each case in the manner noted, as follows:

Court Decisions.

Also communications from the Law Department informing the City Council as to court decisions in the causes noted, which were *Placed on File* as follows:

Alice Schuringa, et al., plaintiffs-appellants, vs. *City of Chicago, et al.,* defendants-appellees. Supreme Court of Illinois No. 37592.—Opinion filed by Illinois Supreme Court on March 18, 1964, in the above entitled cause affirming the judgment of the Superior Court of Cook County, which judgment denied the four plaintiffs an injunction against the City's water fluoridation plan. (The Court specifically held that the City's water supply is fluoridated under authority of law and this program does not exceed the police powers of the City; that this program is not needlessly wasteful or expensive and that the ingestion of fluoridated water will not cause harmful physical side effects. The decision gives unqualified approval to the water fluoridation plan of the City of Chicago).

Fred M. Magee, plaintiff-appellant, vs. *Edwin Williams, et al.,* defendant-appellees. United States Court of Appeals, Seventh Circuit case No. 14307. —Opinion filed in the above entitled cause by the United States Court of Appeals on March 17, 1964, thereby affirming an order of the District Court dismissing a complaint against city police officers of the City of Chicago alleging a civil rights deprivation under the Constitution and certain Federal statutes. (The complainant was a Chicago Police Officer who alleged that his civil rights were violated by officers of the Internal Investigation Division of the Chicago Police Department and their superiors who authorized these officers to use certain eavesdropping equipment on their persons during the course of their duties to test integrity of other Chicago police officers is not violative of the Illinois law.).

City of Chicago and People of the State of Illinois vs. *Malcolm Lambert, et al., Appellate Court No. 49097.*—Convictions affirmed by Appellate Court of Illinois, on March 9, 1964 in above entitled cause thereby holding that actions inspired by members of the American Nazi Party were subject to prosecution under the City's disorderly conduct ordinance. (The defendants, with others, had picketed in front of a specified premise in Chicago's Loop displaying placards and distributing pamphlets couched in provocative language and designed to foment disorders and riots. This was a joint trial, the defendants being charged with a violation of City's ordinance as well as violation of the Criminal Code including a new statute providing for the offense of criminal defamation).

Leonard W. Kosoglad, et al., plaintiffs-appellants vs. *Zoning Board of Appeals of the City of Chicago, et al.,* defendants-appellees. Illinois Appellate Court No. 49349.—Opinion filed by Appellate Court on March 18, 1964, in the above entitled cause reversing the judgment of the Circuit Court of Cook County, which judgment had affirmed, on administrative review, the action of the Zoning Board of Appeals of the City in granting a special use permit for the construction of a wood burning incinerator at Nos. 2133-2151 W. Hubbard Street. (The Illinois Appellate Court held that the order of the Zoning Board of Appeals was defective in that it was "couched in the general language of the ordinance"; that the hearing was improperly held in that no written report had been prepared and filed with the Board by the Commissioner of City Planning. The Court restated its finding in a previous case for which they stated the findings of fact must be made in a case of special use and that in the present case no findings were made in reference to the performance standards).

Zoning Reclassifications of Particular Areas.

Also applications (in triplicate) of the persons named below, together with proposed ordinances, for amendment of the Chicago Zoning Ordinance as amended, for the purpose of reclassifying particular areas, which were *Referred to the Committee on Buildings and Zoning,* as follows:

Now, Therefore, This Agreement Witnesseth: That, in consideration of the terms and covenants herein contained, the parties hereto agree as follows:

1. The City of Chicago agrees that simultaneously with the payment for said Preliminary Loan Notes by the purchaser or purchasers thereof (and using the proceeds of said Preliminary Loan Notes, and other appropriate funds of the City to the extent necessary therefor) it will pay or cause to be paid to the Government an amount equal to the aggregate principal amount of the Old Project Temporary Loan Notes if any, of the City held by the Government for its own use and benefit on the date of the Preliminary Loan Notes, plus accrued interest thereon to the date of payment; and the Government agrees that

simultaneously with said payment to the Government it will cause the Old Project Temporary Loan Notes, if any, held by the Government for its own use and benefit on the date of the Preliminary Loan Notes, to be cancelled and returned to the City.

In the event of the exercise of such option by the Government, the principal amount of the Escrow Project Temporary Loan Note shall by operation of law and this Requisition Agreement automatically be reduced to the amount of the part payment made by the Government of the Requisitioned Payment, and a legend informative of the fact of such part payment and of the reduction of the principal amount of the Escrow Project Temporary Loan Note to an amount equal to the part payment shall be endorsed by the Government on the Escrow Project Temporary Loan Note.

Stat. 1961, Ch. 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1961, Ch. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

Article XI

If Tenant shall vacate or abandon the premises or permit the same to remain vacant or unoccupied for a period of ten (10) days, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from tenant and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

If Tenant shall vacate or abandon the premises or permit the same to remain vacant or unoccupied for a period of ten (10) days, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to

expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article I

Premises

Section 1.01—Lease of Premises—Use of Demised Premises

City does hereby lease to Airline, and Airline does hereby lease from City a parcel of land comprised of eleven and seventy-seven one hundredths, (11.77) acres (hereinafter, together with any buildings and improvements now or hereafter located thereon, referred to as the "Demised Premises") located at the Airport in the easterly portion of the Cargo Area and shown as outlined in "Red" and described in Exhibit A attached hereto, together with the facilities, rights and privileges hereinafter described.

Airline is hereby granted the exclusive use of the Demised Premises, subject to the terms and provisions hereof and to rules and regulations promulgated by City in accordance with Article VI hereof

for any and all purposes reasonably necessary or convenient in connection with the conduct by Airline of air transportation, including, without limitation, the following:

(a) the receiving, delivering, dispatching, processing, handling and storing air cargo, express, mail and other property;

(b) the loading and unloading upon the Demised Premises of property, cargo and mail upon or from aircraft (including exclusive freight or cargo flights) by such means as may be necessary or convenient, and the exercise of all rights and privileges upon and with respect to the Demised Premises which are granted to Airline under the Airport Use Agreement on and with respect to the cargo ramp areas at the Airport available for common use, but any such exercise shall be free of any charge for parking of aircraft;

(c) the loading, unloading and parking of automobiles and trucks, provided that any parking lot shall be operated without charge for use only by employees of Airline and by invitees of Airline having business at said premises; and

(d) the maintenance and operation of building's facilities and equipment and the carrying on of activities reasonably necessary or convenient in connection with the foregoing;

provided, however, that the foregoing shall not permit the conduct by Airline of any business separate from its operation of an air transportation system; and further provided, that the rights conferred under this Article I may be exercised by Airline alone or in conjunction with other Airline Parties, directly or through another designated by it or them.

Section 1.02 — Ingress and Egress — Right to Connect Utilities

Subject to rules and regulations promulgated by City in accordance with Article VI hereof, Airline shall have the right and privilege over the Airport of ingress to and egress from the demised premises for its employees, agents, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, and its or their aircraft, equipment, vehicles, machinery and other property, including the right to construct, install, maintain, use and operate facilities and equipment on the Airport for the purpose of connecting the Demised Premises with taxiways, service roadways, water lines, sewer lines, drainage ditches and utility lines serving the Demised Premises, any such connections to be at a point and over a route approved by the Commissioner of Aviation and the Commissioner of Public Works. Airline shall pay all charges for electric power furnished to the Demised Premises. Except as in this Lease or in any other agreement between City and Airline otherwise specifically provided, no charges, fees or tolls of any nature, direct or indirect, shall be imposed by City upon Airline, its employees, agents, guests, patrons and invitees, its or their suppliers of materials and furnishers of service for such right of ingress and egress, or for the privilege of purchasing, selling or using for a purpose herein permitted any materials or services purchased or otherwise obtained by Airline, or transporting, loading, unloading or handling property, cargo or mail in connection with Airline's business or exercising any right or privilege granted by City hereunder. The foregoing shall not preclude City or its concessionaires from making and collecting a charge for the use of public automobile parking areas, sightseeing facilities or ground transportation to or from the Airport furnished by City or its concessionaires, or preclude City from imposing any sales, occupation or other taxes provided by law, permit or license fee not inconsistent with the rights and privileges granted to Airline hereunder.

Airline shall have the right to purchase or otherwise obtain property and services of any nature from any suppliers of its choice.

Section 1.03—Use of Premises on Behalf of or by Others

Any of the premises leased to Airline under this Article I may also be used, in whole or in part, by Airline on behalf of or in conjunction with any other Airline Party or Parties in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. Airline shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties for use in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. In addition, Airline is hereby permitted to sublease any portion of the Demised Premises to any agency, division or department of the Federal Government. In case of any use of any of such premises by Airline on behalf of or in conjunction with any other Airline Party or Parties, or in case of any sublease of any of such premises in accordance with the foregoing provisions, Airline shall remain liable for its obligations hereunder and the rights and privileges granted hereunder to Airline, its employees, agents, guests, patrons and invitees and its or their suppliers of materials and furnishers of service shall be granted with respect to such premises (except as may be otherwise provided in any such sublease) to such other Airline Party or Parties or sublessee or sublessees, as the case may be, and it or their employees, agents, guests, patrons, invitees, suppliers of materials and furnishers of service.

Notwithstanding the foregoing provisions of this Section 1.03, no use of any of the premises leased to Airline under this Article I may be made by Airline on behalf of or in conjunction with any other Airline Party or Parties, and no sublease of any part of such premises may be made by Airline, except in each case with the consent of the Commissioner of Aviation, if such use or sublease involves payment to Airline by any such other Airline Party or sublessee of an amount greater than Airline's expenses with respect to the premises, facilities and services used by, furnished to or subleased to such other Airline Party or sublessee.

Article II

Term

This Lease shall be for a term of twenty (20) years commencing on the ..... day of..... ....., 1964 and unless earlier terminated or extended as provided herein, expiring on the .... day of ....., 1984.

As rental for the Demised Premises, and all of the rights granted hereunder, Airline shall pay on or before the first day of each calendar month a monthly rental (hereinafter called "ground rental") of One Thousand Nine Hundred Sixty-one and

67/100 Dollars ($1,961.67). Said payments to be made in advance, commencing on the effective date of this lease as described in Section 16.02 hereof.

The ground rental shall be payable at the office of the City Comptroller. Any rental payable by Airline hereunder which is not paid when due shall bear interest at the rate of seven per cent (7%) per annum from the due date thereof until paid. If any rental hereunder commences or terminates prior to the last day of any month, such rental for such month shall be determined on a pro rata basis according to the number of days of such month involved.

Article IV

Construction and Maintenance of Air Cargo Building

Section 4.01—Construction of Air Cargo Building by Airline

Airline shall be permitted to construct on the Demised Premises an air cargo building (which term as used herein, includes related cargo ramp aprons, facilities and fixtures necessary or incidental to normal operation of an air cargo building). For the purpose of this Section 4.01, construction of Airline's air cargo building on the Demised Premises may include construction by Airline of connections with any taxiway, service roadway, water line, sewer line, drainage ditch and utility lines serving the Demised Premises. All of the plans and specifications for Airline's construction hereunder shall be submitted to the Commissioner of Aviation and the Commissioner of Public Works for approval prior to the commencement of construction.

Section 4.02—Construction, Maintenance and Repair by Airline

In addition to the initial construction permitted in Section 4.01, above, Airline may construct or install, at its own expense, any buildings, improvements, facilities and equipment, and any additions thereto, on the Demised Premises. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any such proposed construction or installation (including the initial construction and any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation and the Commissioner of Public Works prior to the commencement of construction or installation. Subject to the provisions of Section 4.01 and Article VIII hereof, Airline shall keep and maintain all buildings, improvements and facilities and additions thereto, constructed or installed by Airline on the Demised Premises in good condition and repair. No restrictions shall be placed on Airline as to the architects, builders or contractors who may be employed by it in connection with construction, installation, alteration, repair or maintenance by Airline on the Demised Premises. All buildings and permanent improvements constructed by Airline on the Demised Premises shall become the property of City upon completion of construction thereof.

Notwithstanding the foregoing, Airline shall, after completion of the construction provided for by Section 4.01 hereof, keep the Demised Premises and all construction and installations made thereon in a sanitary and sightly condition, and shall comply with all health and safety requirements applicable thereto.

Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Section 4.03—Lighting—Airline shall illuminate the apron in front of each building on the Demised Premises with flood lights and shall place and maintain at all times red obstruction lights on the highest point and on each corner of such building and on the highest point of each smoke stack, pole, aerial and antenna on the Demised Premises. The obstruction light fixtures shall be of a dual type and the lights shall be kept burning at Airline's expense from dusk to dawn and during period of restricted visibility.

Section 4.04—Covenant Against Liens—Airline shall keep the Demised Premises and the buildings, improvements and facilities constructed thereon free and clear of any and all liens in any way arising out of the action, or use thereof, by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.05—Performance by City upon Failure of Airline to Maintain—In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do, any obligation required by Sections 4.02, 4.03 and 4.04 hereof to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

Article V

Performance by City

Section 5.01—Facilities Furnished by City—In addition to the taxiways and roadways connections to be constructed by Airline, City has constructed taxiways, roadways, water lines, sewer lines and drainage ditches serving the Demised Premises. Airline is granted the right and privilege to use all of such taxiways, roadways, water lines, sewer lines and drainage ditches in common with others; provided, however, that Airline shall be required to pay to City a reasonable charge for direct metered water supplied by City to Airline through any such water line.

Section 5.02—Maintenance and Operation—City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair (including the removal of snow, vegetation, stones and other foreign matter as reasonably as may be done, from taxiways, including roadways, apron and taxiways constructed by Airline pursuant to Section 4.01 and located outside the Demised Premises) all taxiways, connections therefrom, roadways, water lines, sewer lines, drainage ditches, additions, improvements, facilities and equipment now or hereafter provided by City serving the Demised Premises but located outside the Demised Premises.

Section 5.03—Taxes on Demised Premises—Airline shall pay any and all taxes or special assessments, if any, which may be levied or assessed upon the Demised Premises; or on any personal property

or leasehold of Airline located on the Demised Premises.

Section 5.04—Exclusive Possession—City agrees that Airline performing its obligations hereunder, shall be entitled to and shall have the exclusive possession and enjoyment of the premises, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

Section 5.05—Performance by Airline upon Failure of City to Maintain and Operate—In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required by this Article V to be performed by City, Airline may perform such obligation of City and bill City for the cost to Airline of such performance; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operations at the Airport and Airline so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and bill City for Airline's cost of such performance, but Airline shall not deduct any such cost from any amounts due hereunder or under any other agreement between Airline and City relating to the Airport unless at the time there are no Approved Revenue Bonds outstanding. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation or otherwise by it of the Airport or any facilities now or hereafter connected therewith.

Article VI

Rules and Regulations

Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Airline of any right or privilege granted to it hereunder or under any other agreement between Airline and City relating to the Airport or any part thereof, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect therto, nor inconsistent with the procedures prescribed or approved from time to time by the Civil Aeronautics Administration or any other governmental authority having jurisdiction over operations at the Airport.

City, however, shall have no control over the rates, fares or charges that Airline may prescribe in connection with its conduct of an air transportation business.

Article VII

Exercise by City of Governmental Functions

Nothing contained herein shall impair the right of City in the exercise of its governmental functions to require Airline to pay any tax or inspection fees or to procure necessary permits or licenses, provided such requirement is not inconsistent with the rights and privileges granted to Airline hereunder.

Article VIII

Indemnity and Insurance

Section 8.01—Liability Arising from Act of Airline—Airline agrees to indemnify and hold City harmless from and against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recovered from City by reason or on account of damage to the property of City or the property of, injury to or death of any person, arising from Airline's use and occupancy of and operations at the Airport, including acts of its agents, contractors and subcontractors, except when caused by City's sole negligence or by the joint negligence of City and any person other than Airline, its agents, contractors and subcontractors; provided that City shall give Airline prompt and timely notice of any claim made or suit instituted which, in any way, affects Airline or its insurer, and Airline or its insurer shall have the right to compromise and defend the same to the extent of their own interests. Any final judgment rendered against City for any cause for which Airline is liable hereunder shall be conclusive against Airline as to liability and amount.

Airline shall, at its own expense, keep in force insurance of the following types and in not less than the following amounts, issued by a company or companies of sound and adequate financial responsibility, insuring Airline and City against all liabilities for accidents arising out of or in connection with Airline's use and occupancy of and operations at the Airport, except when caused by City's negligence alone or jointly with any person other than Airline, its agents, contractors and subcontractors, and shall furnish to City certificates evidencing such insurance, naming City as an additional assured thereunder, subject to the limitations set forth above in respect of City's negligence, to-wit:

Aircraft Public Liability Insurance	$ 100,000 per person $1,000,000 per accident
Aircraft Property Damage Insurance	$ 200,000 per accident
Comprehensive Public Liability Insurance	$ 100,000 per person $ 250,000 per accident
Comprehensive Property Damage Insurance	$ 100,000 per accident

If pursuant to any other agreement between Airline and City, Airline is complying with requirements identical with those of this Section, such compliance shall also serve as compliance with the requirements of this Section.

Section 8.02—Insurance in Connection with Construction by Airline—Airline shall, until the date of completion of Airline's air cargo building being constructed by Airline, keep in force insurance issued by a responsible insurance company or companies, insuring City against all liabilities for public liability or property damage arising out of or in connection with the construction upon or the use and occupancy of the Demised Premises in amounts of comprehensive insurance not less than those provided in Section 8.01 hereof, and insuring Airline's air cargo building during construction under completed builder's risk insurance, against fire, extended coverage, vandalism and sprinkler leakage in an amount equal to the full insurable value of such construction as the same progresses in order to assure continuity of construction and ultimate completion despite damage or destruction suffered during the course thereof.

Section 8.03—Insurance of Air Cargo Building After Construction—Airline shall obtain and keep in effect at all times during the term of this Agreement fire and extended coverage insurance upon air cargo building. The policy or policies of insurance acceptable to Comptroller shall be for not less than eighty per cent (80%) of the full insurable value of air cargo building and other improvements and proceeds therefrom shall be expended for the repair and restoration of said air cargo building and other improvements which Airline agrees it shall undertake to do as is further provided in Section 8.04 hereof.

Section 8.04—Repair or Restoration of Air Cargo

Building—If during the term hereof the air cargo building shall be destroyed or damaged in whole or in part by fire or other cause, Airline shall promptly repair, replace and rebuild the same, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the air cargo building existing immediately prior to such occurrence. Airline shall submit plans for such replacement or rebuilding to the Commissioner of Aviation and the Commissioner of Public Works for approval prior to the commencement of any construction. The period of time during which Airline is repairing, restoring or rebuilding said air cargo building or other improvements subsequent to damage or destruction thereof by fire or otherwise, shall not be considered abandonment or non-use of the premises under the provisions of this agreement. Airline shall continue to pay the ground rental hereunder during the period said air cargo building shall be damaged or destroyed.

Article IX

Termination by City

City may terminate this Lease by giving Airline sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The filing by Airline of a voluntary petition in bankruptcy. In such event, City shall have the right to file a claim as a creditor and the rentals due and to become due under the terms of the Lease shall be accelerated and become due and payable.

(b) The institution of proceedings in bankruptcy against Airline and the final adjudication of Airline as a bankrupt pursuant to such proceedings.

(c) The taking by a court of competent jurisdiction for a period of sixty (60) days of all or substantially all of Airline's assets pursuant to proceedings brought under the provisions of any Federal reorganization act.

(d) The appointment of a receiver of all or substantially all of Airline's assets and Airline's failure to vacate such appointment within sixty (60) days thereafter.

(e) The assignment by Airline of its assets for the benefit of its creditors.

(f) The abandonment by Airline of its conduct of air transportation at the Airport.

(g) The default by Airline in the performance of any covenant or agreement required to be performed by Airline herein and the failure of Airline to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from City of notice to remedy the same.

No waiver by City of default of any of the terms, covenants or conditions hereof to be performed, kept and observed by Airline shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

Article X

Recovery of Possession by City

If Airline shall vacate or abandon the Demised Premises or in case of the termination of this Lease, Airline's right to the possession of the Demised Premises shall terminate, with or without any further notice or demand whatsoever, and the mere retention of possession thereafter by Airline shall constitute a forcible detainer of said premises, and upon the termination of Airline's right of possession, as aforesaid, Airline agrees to surrender its possession of said premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of said premises whatsoever, and hereby grants to City full and free license to enter into and upon said premises, or any part thereof, to take possession thereof, as against Airline and others claiming through it, with or without process of law, and to expel and remove Airline and any other person claiming through it who may be occupying said premises, or any part thereof, and City may use such force in and about so expelling and removing Airline and said other person as may reasonably be necessary, and City may, as against Airline and others claiming through it, repossess itself of said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise herein contained to be performed by Airline.

Airline hereby waives all notices of any election made by City under this Lease, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever of any and every nature which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the term of this Lease; provided, however, the foregoing shall not apply to any notice specifically required under the provisions of this Lease. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Airilne or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express written waiver, shall not be construed as a waiver of any right hereby given City, or as an election not to proceed under the provisions of this Lease.

The obligation of Airline to pay the rent reserved hereby shall not be deemed to be waived, released or terminated, by the service of any five-day notice, other notice to collect, demand for possession, or notice by City that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts, other than termination of this Lease, resulting in the termination of Airline's right to possession of the Demised Premises. City may collect and receive any rent due from Airline, and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which City may have by virtue hereof.

Article XI

Termination by Airline

Airline may terminate this Lease and any or all of its obligations hereunder at any time that Airline is not in default in the payment of any amount due from it to City hereunder by giving City sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The failure or refusal of the Federal Aviation Agency to approve all weather operations into and from the Airport of aircraft of any type operated by Airline in scheduled air transportation using facilities similar to

those at the Airport and continuance thereof for a period of at least sixty (60) days.

(b) The issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Airport or any part thereof so as to substantially affect Airline's use of the Airport in its conduct of an air transportation system and the remaining in force of such injunction, not stayed by way of appeal or otherwise, for a period of at least sixty (60) days.

(c) The issuance of any order, rule or regulation or the taking of any action by the Civil Aeronautics Board or the Federal Aviation Agency or other competent governmental authority, or the occurrence of any fire, other casualty, act of God or the public enemy, substantially affecting, for a period of at least sixty (60) days, Airline's use of the Airport in its conduct of an air transportation system; provided, however, that none of the foregoing is due to any fault of Airline.

(d) The default by City in the performance of any covenant or agreement required to be performed by City herein or in any other agreement between City and Airline relating to the Airport or any part thereof, and the failure of City to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from Airline of notice to remedy the same.

(e) The substantial restriction of City's operation of the Airport by action of the Federal Government, or any department or agency thereof, under its wartime or emergency powers, or by action of the State of Illinois, or any department or agency thereof, and continuance thereof for a period of not less than sixty (60) days, provided such restriction adversely affects Airline's operations at the Airport.

No waiver by Airline of default of any of the terms, covenants or conditions hereof, or of any other agreement between City and Airline relating to the Airport or any part thereof, to be performed, kept and observed by City shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

Article XII

Surrender of Possession

Upon termination of this Lease, Airline shall surrender the Demised Premises, and the buildings and improvements situated thereon, if any, in good condition and repair, reasonable wear and tear excepted.

Article XIII

Abatement on Account of Casualty

If due to damage or destruction by fire, other casualty, act of God or the public enemy, not due to any fault of Airline, any of the facilities to be furnished by City as provided in Section 5.01 hereof (including the taxiway and roadway connections initially furnished by Airline), shall be rendered unusable to such an extent as to substantially impair the ability of Airline to conduct normal operations on the Demised Premises, then the rental payable hereunder by Airline for the Demised Premises shall be paid up to the date of such damage or destruction, but, unless City shall promptly furnish adequate temporary substitute facilities and expeditiously restore such facilities so damaged or destroyed, such rental shall thereafter abate in an amount directly proportional to the extent Airline's ability to conduct normal operations on the demised Premises is impaired by such damage or destruction; provided, however, that if City fails to repair such damage or destruction so that Airline's ability to conduct normal operation on the Demised Premises is substantially impaired for more than ninety (90) days, then Airline, at its option, may, by giving to City at least thirty (30) days prior notice, terminate this Lease. City shall not be liable to Airline for damages for City's failure to furnish such temporary substitute facilities or, except as provided in Section 5.05 hereof, for City's failure to expeditiously restore such facilities.

If due damage or destruction by fire, other casualty, act of God or the public enemy affecting the Airport, Airline's use of the Airport in its conduct of an air transportation system shall be substantially affected, then, without any prejudice to any right of termination hereunder, Airline shall have the right upon notice to City, to the abatement of a just proportion of the rental provided herein from the time of such notice until normal operations are permitted.

Article XIV

Right of Airline to Remove Property

Airline shall be entitled during the term of this Lease, and for a reasonable time (not exceeding forty-five (45) days) after its termination, to remove from the premises involved, or any part thereof, all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it pursuant to this Lease, subject, however, to any valid lien City may have thereon for unpaid rentals or other amounts, payable by Airline to City hereunder or under any other agreement between City and Airline relating to the Airport or any part thereof, and provided that Airline shall have repaired all damage resulting from such removal.

Article XV

Definitions

The specific terms in this Lease shall have the same meanings as defined in the Airport Use Agreement entered into January 1, 1959 by and between City and Airline covering Airline's operations at said Airport.

Article XVI

Section 16.01—Equality of Treatment—No rights or privileges with respect to or rentals for premises leased for air cargo purposes at the Airport shall be granted by City to any air transportation company in competition with Airline, which are more favorable to such company than those granted to Airline, and the effect of which is to place Airline at a competitive disadvantage.

Section 16.02—Effective Date of Lease—This Lease shall become effective upon approval of the plans and specifications as provided in Section 4.01 hereof. Section 16.06—Assignment or sublease—Airline may assign this Lease and its rights hereunder to any corporation into or with which Airline may merge or consolidate, or which may succeed to the business and assets of Airline. Airline shall be further permitted to assign this Lease only to any wholly owned subsidiary corporation, and in such event, Airline shall be permitted to exercise all of the rights granted to it hereunder as a sub-tenant of said wholly owned subsidiary corporation.

Ordered, That the Port Director of the Department of the Port of Chicago be and he is hereby authorized and directed to issue a permit to Wendella Sightseeing Corporation, 400 North Michigan Avenue, Chicago, Illniois 60611, to use one hundred fifty (150) feet of dock and adjoining wharf along the north side of the main Chicago River extending southwesterly from the westerly line of N. Michigan Avenue, for a period of three (3) years from January 1, 1964, upon the payment to the City of Chicago of a permit fee of seven hundred dollars ($700.00) per year, paid in advance to the office of the City Collector by July 1st of each year. This permit grants the privilege to use the above-defined dock and adjoining wharf to load and unload passengers to and from the upper and lower levels of North Michigan Avenue via areas and stairways, for the operation of sightseeing craft from this dock and wharf area, and ferry boat service from this dock to the Madison Street dock of the Chicago & North Western Railroad. By the issuance of this permit the City of Chicago does not warrant the docks, piers, quay walls and wharves to be safe for berthing or mooring vessels or loading or unloading cargo or for accepting or discharging passengers and does not assume responsibility as a wharfinger, but on the contrary, everything undertaken or done by permittee pursuant to this permit shall be at permittee's own risk and permittee by acceptance of this permit waives and releases the City of Chicago of and from all damages and claims on account of any existing conditions which may hereafter develop at the berth or approaches to the berths, docks, piers, quay walls and wharves where the vessels of the permittee may be berthed or moored under this permit. Indemnification in the penal sum of two hundred fifty thousand dollars ($250,000.00) shall be filed indemnifying and saving harmless the City of Chicago against any and all claims for damages on account of injuries to or death of any person or persons or damage to property resulting from operations under this permit. Furthermore, the issuance of this permit is subject to the permittee having two-way shore communication on each one of the craft operated by said permittee, including all craft that the permittee may operate on a temporary or substitute basis and that the Port Director shall be informed of the names and registration numbers of all craft that may be operated by the permittee and that this information shall be furnished to the Port Director on or before April 1, 1964. Furthermore, all craft to be operated by the permittee shall have installed a two-way shore-communication system. This equipment shall be installed and operating during and at any and all times while any craft are underway with passengers or crew or guests on board and the pilot on any of the boats so operated shall have full use and knowledge of how to use the two-way communication to the full satisfaction of the Port Director of the Port of Chicago and that no person shall be in charge of any craft who does not have such full knowledge for the operation of said communication system. Furthermore, the permittee shall be governed by any orders from the Port Director and rules or regulations regarding the areas in which his boats may operate. The permittee shall adhere strictly to such orders as given verbally, or in writing, by the Port Director for the areas in which his boat may operate. This permit gives to the permittee the right to operate only three (3) boats to/or from the docks designated above. The permission hereby given shall be subject to revocation by the Mayor in his discretion at any time without consent of said permittee.

It is further recommended that the permit issued to the Wendella Sightseeing Corporation shall include also the use of sixty-six (66) lineal feet of the dock at the foot of N. Rush Street on the north bank of the Chicago River for an additional sum of three hundred dollars ($300.00) per year. It is specifically understood and agreed upon that this dock at the foot of North Rush Street shall not be used for taking on or discharging passengers under any conditions unless sanctioned in writing by the Port Director, but said dock shall be used only for the

purpose of mooring boats owned or operated by Lessee. The permittee or any and all other persons in the employment of permittee or other persons whatsoever are forbidden to use public address systems or other mechanical or hand operated voice or power operated megaphones in solicitation of business — or for entertainment purposes — including music reproduction or other reproductions and shall not use or employ persons to "bark" or solicit business either on leased dock area—or from aboard craft or any area or location in vicinity of operating area or underway on craft.
